

Doubling and Halving

Material:

2 Dice

Target sheet

Game:

- **Take turns to roll the 2 dice**
- **Arrange the dice to make a 2 digit number**
- **Either double or halve the number to get to get as close as possible to the target number.**
- **Record doubled or halved numbers on the sheet.**

Complete 10 rounds and the winner is the person who gets the closest to the target number the most times.
